

CURRICULUM VITAE **August Benz**

**August Benz (1969), Ph.D. HSG,
Head of International and Transformation,
Deputy CEO of the Swiss Bankers Association (SBA)**

August Benz has been Head of International and Transformation at the Swiss Bankers Association (SBA) since July 2017 and Deputy CEO of the SBA office since December 2017. Together with his team, he focuses on the topics of private banking, asset management, market access, digital finance & cyber security, and sustainable finance. August Benz began his career at UBS in 1999. He was head of the global strategy department at UBS Asset Management. He was then responsible for the management and restructuring of Europe's largest fund platform and headed B2B distribution in Switzerland. He also built up the global distribution management function at UBS Asset Management and, as head of client servicing, was responsible for the introduction and implementation of standards in client care worldwide.

August Benz is Chairman of the Board of Directors of Schwyzer Kantonal-bank, Chairman of the Swiss Financial Sector Cyber Security Center (Swiss FS-CSC), a member of the Board of the Asset Management Association Switzerland (AMAS) and a member of the Board of Trustees of Building Bridges, the conference for sustainable finance in Switzerland. August Benz holds a doctorate in political science from the University of St. Gallen and a Master of Science from the University of Edinburgh. He lives with his family in Zurich.
